

The NEW LabCorp Patient™ portal is an easier way to securely view your lab test results, pay your bill, and more from your mobile device or desktop.

Available on desktop and mobile devices. Sign up today:
<https://patient.labcorp.com>

By using the **NEW LabCorp Patient portal, you can:**

- Receive lab test results in the portal.*
- View and pay your electronic bill online easily and securely.
- Manage your profile and keep your contact information current.
- Manage and reset your own password.

*LabCorp will provide the test results to your doctor before releasing them to your LabCorp Patient portal account.

Getting Started

Visit <https://patient.labcorp.com> or download our installable app on your mobile device.

Step 1: Sign up

Click **Create My New Portal Account**

Create Your Free Account

Register Now

[How to Register Guide](#)

All users must create a new account in the LabCorp Patient portal. You may have previously registered to use LabCorp Beacon®: Patient*, but to use the new portal, a new account is required. All results from your old account will be available in your new LabCorp Patient account. You can continue to use your existing LabCorp Beacon®: Patient User ID as your new patient portal User ID.

Create an account by completing the New Registration Form. You have the option to use your last four digits of your Social Security number or a valid Driver's License number (available only in certain states[†]) to verify your identity during registration.

After you have completed the New Registration Form, click **Create Account**.

[†]The Driver's License option is available only in the following states: CT, DE, FL, ID, IL, KY, LA, MA, ME, MI, MN, MO, MS, NC, ND, NE, NH, NV, OH, SC, TN, TX, WI, WV, and WY. You must select the button for Driver's License or last four digits of Social Security number to enter the information.

Step 2: Account Verification

After creating your account, you will be directed to a page to verify your account using a One-Time Verification Code, which can be sent to you via text message or email. Click the option you prefer and follow the steps below based on your choice.

1 Text Message

To verify your account by text message, click the agreement box and then enter the mobile phone number to receive your One-Time Verification Code. When finished, click "Send Text."

1

 Verify your Account

How would you like to receive your Verification Code?

In order to protect your personal information, we need to verify your account with a One-Time Verification Code. You must successfully verify your account using one of the options below to complete registration.

 Verify by Text 

A text message will be sent to the phone number provided below.

☐ I authorize LabCorp to contact me with a One-Time Verification Code. I understand that LabCorp will not share my information with others. Message and data rates may apply.

Verify your Account

How would you like to receive your Verification Code?

In order to protect your personal information, we need to verify your account with a One-Time Verification Code. You must successfully verify your account using one of the options below to complete registration.

Verify by Text

Verify by Email

An email will be sent to "email_address@domain.com"

SEND EMAIL

Email Verification

Please check your email to receive your One-Time Verification Code.

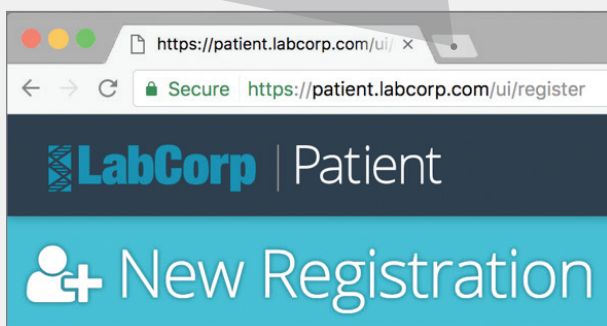

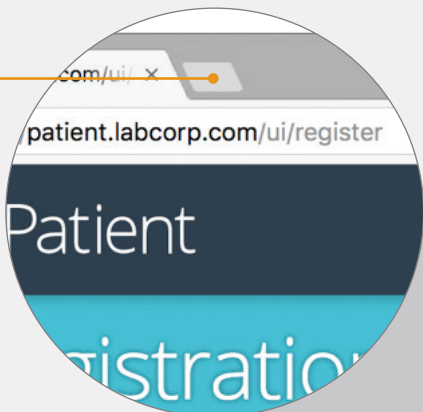

IMPORTANT: Please do not close this window or click on the Back button of your browser. You must enter your One-Time Verification code to complete registration. If you don't get an email from us within a few minutes at mayemail@domain.com, please be sure to check your spam folder or click Resend Code or Try Another Method.

ONE-TIME VERIFICATION CODE

VERIFY

After you have finished selecting a method for receiving your One-Time Verification Code, retrieve the code from your email or mobile phone and enter it on the verification page, then click “Verify.”

The Account Created page will open where you will be able to login to your account (**See Step 3**).

Step 3: Login to your account

On the Account Created page, use the User ID and Password you created on the New Registration Form, then click **“Login”** to access your LabCorp Patient portal.

A screenshot of the LabCorp Patient portal's "Account Created" and login page. The page has a dark blue header with the LabCorp logo and the text "Patient". Below the header, a light blue banner displays a white checkmark icon and the text "Account Created", followed by the message "Thank you for registering with LabCorp / Patient." in a smaller font. Below this, a white box contains the text "For the safety and security of your account, we ask that you now log in with your User ID". Underneath, there is a section titled "Login" with two input fields: "* User ID" and "* Password". At the bottom of this section is a dark blue button labeled "Login".

Available to US residents only.
